

E-Series Security Containers

THE E-SERIES SECURITY CONTAINERS provide secure storage of documents prior to shredding. Available in 32, 64, and 96 gallon capacities, the largest container can hold up to 350 pounds of paper. These containers are designed with special features to provide easy collection of sensitive documents right in the workplace. An internal/external locking system secures the lid to the container to prevent tampering or removal of confidential records. The E-Series Security Container works well in organizations and companies whose document collections are large and frequent.

Key Features:

- **Internal /External Locking Systems** – Secures the lid to the container to prevent tampering or removal of sensitive documents. **The Internal Lockjaw™ Locking System** provides added security and can be keyed to match most existing consoles.
- **External Hasp Locking System** – Comes installed and ready for a padlock. High security brass padlocks are available.
- **Lid with Molded Paper Slot** – Reinforced lid with paper slot deflector helps to maintain a clean and organized collection of documents without having to open the lid. Reinforced plastic around paper slot prevents hands from reaching in while adding strength to the lid.
- **Sleek Design** – Blends easily with office décor. Executive Gray color limits the visibility of paper dust.
- **No Bag or Liner required** – Makes the container easy to empty.
- **Rubber Wheels** – Ensure longevity and easy maneuvering.

Available in Three Sizes:

32 Gallon /120 L

64 Gallon /240 L

96 Gallon /360 L

The E-Series Lockjaw™ is part of the One Key Solution. It improves the efficiency of the collection process by keying all containers alike.
